

What's on Your Mind?

Michael Halverson

Senior Director of Advancement Services; Loyola University, Chicago

Elizabeth Toman Tavares

Director of Advancement Services; North Park University, Chicago

Challenges

- What do you find to be the biggest challenges you face in your shop?
- How have you addressed these challenges?

Projects

- What are your biggest projects slated for the upcoming year?
- What vendors are you considering to help with the project?

Priority

- How does your organization/team determine priority of projects?
 - Top down decisions
 - Project management system (e.g. JIRA)
 - Whatever breaks first

Successes

- In the last 18 months, where have your biggest successes come from and why/how? Is the success repeatable on a different project?
- What is the smallest thing that you are proud of?

Tips and Tricks

- What are the best practices or ideas you share immediately with new members on your team?
